

Weddings

Getting Married?

Why not consider coastal views and miles of sandy beaches as the backdrop for your special day?

The Maine Beaches region offers:

- Scores of waterfront venues accommodating wedding parties from two to two hundred.
- Menus ranging from iconic Maine fare like boiled lobster and steamed clams to the more traditional offerings such as mouth watering prime rib and perfectly prepared chicken dishes.
- Limitless options for pre-wedding fun like shopping at our many outlets and boutiques, exquisite day spas and golf on nationally recognized greens.

From flowers, to the cake, to the music, we've got you covered. Recognized as a premier wedding destination, the Maine Beaches region is home to professionals dedicated to making your big day the wedding of your dreams. For more information on planning your southern Maine wedding, please visit www.mainebeachesassociation.com and click on our partner chambers of commerce to get started.

Congratulations and we look forward to being part of your unforgettable event!

Conventions/Meetings

Looking for the perfect place to host your company's retreat or convention?

Look no further! The Maine Beaches region has options galore to maximize the results you have in mind like:

- Hotels and event venues (and some that are one in the same!) that can accommodate groups from small to 200+.
- Restaurants and caterers to fill any budget and satisfy any palate.
- Access to outstanding meeting facilitators and the most advanced technological support.
- Diverse down time activities from golf and amusement parks to deep sea fishing and kayaking.

The Maine Beaches region can help make your retreat or convention the most effective ever. And with affordable and customizable packages, we can do it in the most economical way. To get started planning your next big event, we invite you to visit www.mainebeachesassociation.com and click through on our partner chambers for more information. We look forward to seeing you here on the southern Maine coast!
